ABSTRACT

This document provides information and instructions for preparing a paper for 6th International Research/Expert QUALITY 2009" using computer and printer. If you follow these instructions, the typeface, style and basic layout of your paper should look something like this document. The text of the abstract should be in Times New Roman font style, 11-pt. italic.

Keywords: keyword 1, keyword 2, keyword 3 (Times New Roman, 12-pt.)

1. PAPER TITLE AND AUTHOR(S)

Your paper title should start below of the text of Conference, as in this document. Text of the Conference should be in Times New Roman font, 12-pt., bold. Two line spaces separate the paper title from the Conference text. The title of your paper should be 14-pt., bold in all capital letters, Times New Roman font. Three line spaces separate the title from the first author listing. Author name should consist of first name, middle initial, last name. It should be 12-pt., bold, times New Roman font. If there is more than one author at the same address, list the authors, followed by their affiliation. Conference title, title of the paper, and author(s) name must be centered under the margins.

For more than two authors, you may want to list them in double columns.

2. MARGINS AND PAPER LENGTH

The equations and formulas should be written and numbered as follows:

$$y = \frac{b \cdot \sum x_i}{x_2^3 - \sqrt{x^2 - 3x}} . \quad \dots (1)$$

5. PAGE NUMBERING

Pages should be numbered on the back, along with author's name. Your paper will be printed directly from the pages you submit. No galley proofs will be prepared, so make sure your manuscript is carefully proofread before submitting it. It is not possible to make corrections after submission. Your document must not be folded; folds cause shadows on the printed page.

6. COPYRIGHT

Faculty of Mechanical Engineering in Zenica possesses the copyright of all papers submitted. By submitting the paper you automatically agree to transfer the copyright to Faculty of Mechanical Engineering in Zenica. This means the paper accepted here should not be offered to another conferences without the Faculty of Mechanical Engineering approval. If there are drawings, photos and similar material belonging to some other authors or companies, the author has to get their written permission. In the contrary, Faculty of Mechanical Engineering assumes that kind of permission has already been got.

7. REFERENCES

References should be in 11-pt., Times New Roman font, normal. They should appear at the end of your paper and be numbered. In text of your paper the references should be written by sign [1] for one reference, or by [1,2,5,7] for more than one. Below are examples of how references should be cited for journal or conference proceedings papers and books.
